## WORK EXPERIENCE

### Intern – Automation Team

August 2023 – September 2023

*Kennametal India Ltd*

*On Site*

- Collaborated with the **automation team** as an intern to gain hands-on experience in process automation within a manufacturing environment.
- Acquired practical knowledge of data extraction techniques by implementing **C# programming language** to extract data from HTML files and organize it effectively into Excel spreadsheets.
- Developed a deeper understanding of manufacturing operations and the role of **software automation** in optimizing efficiency and quality.

### Software Development Engineer Intern

May 2022 – Oct 2022

*Worktez*

*Remote*

- Proficiently developed front-end user interfaces for web applications utilizing **HTML, CSS, and JavaScript**.
- Collaborated closely with web designers and back-end developers to meet **consumer requirements** effectively.
- Applied expertise in HTML, CSS3, and JavaScript as the **primary tech stack** for web development projects.

### Content writer

Jan 2022 - March 2022

*MyDigital.io*

*Remote*

- Conducted extensive keyword research and implemented SEO best practices to optimize content for organic search, resulting in increased website visibility and traffic.
- Conducted thorough topic research to develop engaging and original content that resonated with the target audience, further driving website traffic and user engagement.

## PROJECTS

### Personal Portfolio Website | *HTML, CSS, JavaScript, Bootstrap*

- Developed a personal portfolio website using HTML, CSS, JavaScript, and Bootstrap.
- The website is designed with a responsive layout, ensuring optimal viewing on different devices.
- This platform serves as a showcase for my skills, projects, and accomplishments.

## TECHNICAL SKILLS

**Languages:** C/C++, C#, HTML, CSS, Java, Javascript,

**Developer Tools:** Git, Google Cloud Platform, VS Code, Visual Studio

**CourseWork:** OOPS, DBMS, Computer Networks, Operating Systems

## VOLUNTEERING

### Google Cloud Arcade Facilitator

July 2023 – October 2023

*Google Cloud*

*Remote*

- As a Google Cloud Arcade Facilitator, I am mentoring over **180 students**, leading interactive workshops on cloud computing fundamentals and Google Cloud services.
- This experience enhanced my leadership and communication skills while fulfilling my commitment to empowering aspiring technologists. I cherish the opportunity to make a positive impact on the future of cloud computing.

### Division Head of COVID Relief Initiative

May 2021 – June 2021

*Youth India Foundation*

*Remote*

- As the Division Head of Youth India Organization amid the COVID-19 crisis, I managed an **oxygen supplier database**, offering swift aid to those in need.
- In recognition of the efforts put in, I was also awarded the **Best Department Head Karnataka**.
